STUDY SHEET INFORMATION AND INSTRUCTIONS

These study sheets are designed to accompany the material presented in the sermons and there are several possible ways for them to be used. We recommend:

1. Personal study – devotional
2. Group study – devotional
3. Bible classes at church

The study sheets will be available on the home page of this website before the sermon is broadcast and can be downloaded and printed out for use:

1. As a study aid while watching the program during its original broadcast.
2. As a study aid while listening to or watching the program on the website after its original broadcast.
3. As an addition to a printed copy of the sermon obtained either from this website or from the Search offices in transcript form.

Our hope is that the study sheets are used for a more personal, careful study of the Word as presented on the program. Our purpose is to provide usable study materials. We are open to suggestions to improve the materials and welcome contact by the address at the bottom of the study sheets and also through our main email address searchtv@searchtv.org.

**THE STUDY SHEETS ARE PROVIDED FOR PERSONAL USE AND
SHOULD NOT BE RETURNED TO THE SEARCH OFFICE.**
