Outside the Bible Belt

“And thus I aspired to preach the gospel, not where Christ was already named” (Romans 15:20).

Each month SEARCH is making an increasing impact in cities and states outside the Bible Belt. Though some still think of SEARCH as a localized program found only in southern states, SEARCH actually reaches into all 210 television markets in all fifty states.

While churches of Christ can be found in all fifty states, we represent barely more than one half of one percent of the population of the United States. America is the third largest mission field in the world, only exceeded by China and India. We still have much work to do to reach our nation with the gospel.

According to Churches of Christ in the United States, virtually half of the churches of Christ in America (6,184 of 12,447 congregations) are in six states: Alabama, Arkansas, Kentucky, Oklahoma, Tennessee, and Texas. These six states contain more than half (56.8%) of all the adherents (883,910 of 1,554,301). Many states need the gospel message desperately.

Since SEARCH has enlarged its broadcast efforts into all fifty states, we are receiving an increasing number of responses from places outside the Bible Belt. Recently we heard from a brother north of the Arctic Circle in Kotzebue, Alaska; a viewer called us from Caribou, Maine; a lady wrote thanking us from Wellesley Island, NY. We regularly hear from more than 45 states each month. Take a close look at pages 4-5 for a complete listing of all the places we broadcast.

We’ve recently heard from the U.S. Virgin Islands, Myanmar, India, Great Britain, Canada, Yemen, Micronesia, American Samoa, and many other countries. Each month our website enjoys visits from about 100 nations. Many thousands in India watch our program each week via the internet. SEARCH is reaching multiple mission fields every week! We are a true mission effort.

Continued from "Outside the Bible Belt"

We cannot rest until every soul has heard the gospel. We must preach until everyone has heard the good news of Jesus Christ. We must plant the truth in areas where the church is weak, hoping some will respond and the church will grow. SEARCH is scattering the gospel seed into areas where the church is rare or non-existent.

We need your help getting the word out about this ministry. We need your prayers and your financial support to reach into areas where no one else is going. Millions are listening to SEARCH each week, and your support is helping to open doors for the Word. We thank you for all you have done to help us in the past. This ministry needs your help now more than ever to continue reaching outside the Bible Belt, where the interest is growing but where we have little support.

The Lord Be with You,
Phil Sanders

From Friend to Friend
by Phil Sanders

Getting to know brethren throughout the United States has been one of my greatest joys. The family of God everywhere warms my heart and makes me thankful to know the Lord. There are faithful, healthy churches in many places throughout this country. They open their hearts and work hard to reach the lost. They have many young folks, and the future looks bright. Do not be discouraged, brethren; we are not dying, but we have much more work to do.

I am finishing up a gospel meeting marathon. I have spoken in eight states since the first of the year and will be in my ninth when you receive this newsletter. I am happy to speak but limited in strength and time. I want to go to areas where I’ve never been. I’ll be restricting my travel in coming days to two meetings per month in order to concentrate my efforts here and to have time to write. If the Lord wills, I hope to serve for many years.

Please keep the SEARCH ministry and me in your prayers. Help us financially to reach out to a lost and dying world who need to hear the saving gospel message.

**Charitable Annuities**

You can now contribute to SEARCH in the form of a charitable annuity. Charitable annuities allow donors to draw interest as long as they live on the money they contribute. Your money also blesses SEARCH with interest each year. If you have an interest in a charitable annuity, please contact us.

**SPOTLIGHT**

With lightning and thunder still going on around us in Edmond, OK, today our hearts and prayers are with those in Oklahoma City, Moore, and Shawnee, Oklahoma who have been hit the hardest by tornadoes in the center of our state.

Calls have been coming into SEARCH from members of churches of Christ all over the USA wanting to know how they can help. Two groups immediately come to mind from our brothers and sisters in Christ. One is from Nashville, TN, CHURCH OF CHRIST Disaster Relief, toll free: 1-888-541-2848. Another good group is CHURCH OF CHRIST Disaster Response Team from West Melbourne, FL and they can be reached at (937) 308-0035.

Did you know this newsletter, in its entirety, is posted on the SEARCH website? In fact it is available at www.searchtv.org several days each month, before the printed version gets into the postal system for delivery. You can print as many copies as you want on your personal printer which will save you time and save SEARCH money. Also, the SEARCH website is the home for up-to-date information like program scheduling, study sheets, transcripts, audio/video streaming, memorials, and a cappella music.

Each month SEARCH sends about seventy thousand newsletters to churches and individuals who have requested them. You can imagine the amount of funds it takes to print and mail these to everyone. Another huge cost is when people move and newsletters are sent back to us as undeliverable. If your address changes, please let us know so our database can reflect the most accurate information. This will help SEARCH save money and be able to preach the Gospel of CHRIST to more people.

ST. LUCIA “My family and I have been watching your program for as long as I can remember. Thank you for all the wonderful lessons over the years. My father is the preacher for my congregation. He got a call last week from an elderly lady. She wanted to be baptized. So a study was set for Wednesday last week. Turns out that she has been listening to your program for several years and through your ministry has obeyed the gospel. She was introduced to the Church today and welcomed with open arms. We also had another baptism this week so 2 persons were introduced today. Please keep up the work.”

MILAN, TN “I am sending $100.00 for In Search of the Lords Way. I have been a Christian for 83 years and I am trying to grow closer every day for I know I don’t have many more days. I am 96 years. I can’t help to believe that time is getting short for people to come to Christ if I understand his word the time is getting shorter. I hope you can read this my fingers is so cripple up that I can’t hardly write. God Bless all that has a part in telling God Love for man that he gave his life for us and if we look to spending with him when we leave this old sinful world it time to start.”

MERIDIAN, TX “We are serious about Search! We pray the Lord will continue to bless your every effort.”

OBERLIN, KS “We are so thankful we can get the Search program (out of Wichita) up here in NW Kansas. We have advertised it in the newspaper and trust some are watching. We pray and thank you for your giving us this blessing.”

FARMINGDALE, NY “I have a family friend, who has opened my eyes to the Christian religion, rather then the Roman Catholic I have grown up with. I am ready to have The Father, The Son and the Holy Spirit in my life through the Christian church. I have been listening to many of the Bible Studies on this website, and learning as I go. Thank you very much!”

MARYVILLE, TN In December, we had to inform you of our difficult economic times and suspend our support. We did announce our intentions and plans to our membership here at Eastside with a caveat that if the contribution improved, we would be able to consider re-starting our mission efforts. As with most cases with the Lord’s family, they stepped up to the challenge. As a result of their efforts and desires, we are pleased to announce we are able to re-instate much of our efforts. Next month we will be sending support in the amount of $300.00 as a one time support which is in the same amount as previous years.”
